UNDER GRADUATION (UG)
RMK ENGINEERING COLLEGE

11/2020 - Present   *CGPA:8.48/10*

HIGHER SECONDARY SCHOOL
Narayana Junior College

06/2019 - 03/2020   *GPA : 8.50/10*

SECONDARY SCHOOL
Sri Chaitanya High School

06/2017 - 03/2018   *GPA:8.2/10*

PERSONAL PROJECTS

Patient Classification in Emergency Department (12/2023 - 03/2024)
- This project implements machine learning for better patient classification in Emergency Departments, aiming to improve triage accuracy and resource allocation.

Fake Website Detection (09/2022 - 12/2022)
- This focuses on identifying deceptive websites to combat online fraud. Using advanced algorithms and machine learning, it analyzes website content, user behavior, and domain characteristics.

An Application to let Women Live without Fear (09/2021 - 12/2021)
- This Project ensures women's safety by enabling them to send distress signals to the police and selected contacts with one touch. It provides precise GPS updates every 300 meters, revolutionizing personal security for women, especially in places like India.
